

Appl. No. 09/724,571
Amdt. dated February 27, 2006
Response to Notice of Allowance February 7, 2006

PATENT

REMARKS/ARGUMENTS

The description of Figure 13 in the specification has been amended to conform to the drawings as amended November 10, 2003. In addition, a misspelled word has been corrected. As these amendments do not go beyond the application as originally filed, they do not constitute new matter. Entry of this amendment is respectfully urged since it merely cures a formal defect in the specification and does not touch the merits.

Respectfully submitted,
